**Completion of Wall Insulation at
3 Raekura Street, Redcliffs**

This letter is to confirm that Canterbury Insulation completed the insulation upgrade to the above property on 17th December 2021.

We installed Jet Stream Max R2.9 thermal and acoustic insulation between the house and garage.

We also installed CosyWall R2.9 Insulation to the external walls of the property.

All work that was carried out was completed as per our Codemark requirements and thermal imaging was completed.

If any further information is required please contact me on the details below.

Thank you for using Canterbury Insulation.

Kind regards
