

TE KAMO

Welcome to 61A Great North Road ...

It's a beauty - this property is so good but you need to get inside - even though you may feel its not "pretty" from the road, you will be surprised once you step inside as I think you will feel right at home.

First home buyers and investors, you need to get inside this well presented, three-bedroom property which has just undergone a stunning glow-up, leaving you with next to nothing to do but move in, and decide where you want to place your furniture. Freshly painted both inside and out, topped off with brand-new carpet and stylish window dressings, near new roof and so much more, this home feels crisp, fresh, and incredibly welcoming.

The spacious main bedroom and ensuite are privately positioned at one end of the home, offering a retreat from the living area positioned at the other. The other two bedrooms are of good size and the bonus of having two bathrooms is fantastic.

A compact section means you won't be spending your Saturdays chained to a lawnmower. , yet it's the perfect size for those who want just enough space to fence off for the kids and dog plus option to get creative with some landscaping and/or a few feature pots.

Now the hard work is officially finished—it's time to make this place yours. Motivated vendors say bring us a fair offer. Selling under CV \$560,000
