A PRIVATE RETREAT OF SPACE, STYLE AND SUBSTANCE

 4  2  3  300 m²  1221 m²

Set within the prestigious Kajens Estate, this beautifully renovated 300m² home combines space, privacy and considered living on a generous 1,221m² section, creating a rare sense of scale and seclusion in the heart of Rolleston. From the impressive entrance, expansive kitchen, dining and living spaces provide an exceptional setting for both everyday living and entertaining. The stunning kitchen is a genuine showpiece, centred around an oversized stone island with waterfall ends, extensive storage, plumbed double-fridge space and a beautifully appointed walk-in scullery. Miele appliances include an induction hob, steam oven, combination oven, plate warmer and dishwasher, with additional cooking appliances within the scullery. The main living area flows outdoors through two sets of sliding doors to a concrete patio and established grounds, while a separate lounge with built-in speakers provides additional living space. The master suite is privately positioned and features a generous bedroom, fitted walk-in wardrobe, and direct access to a secluded courtyard surrounded by mature gardens, a feature fountain, and a spa. The tiled ensuite includes a substantial rainfall shower, freestanding bath and bespoke vanity. Three further double bedrooms, all with fitted wardrobes, are complemented by a tiled family bathroom and separate toilet. A fourth bedroom positioned off the main living area also offers flexibility as a home office. Practicality is well considered, with excellent storage, a dedicated laundry, four heat pumps and wool carpets throughout the bedrooms. Outside, established gardens are supported by irrigation, while vehicle and storage options are exceptional. The oversized internal-access double garage includes a workshop area, with double gates opening to a fully concreted side and rear area, a detached single garage, a garden shed, and ample parking for additional vehicles, a boat, or a caravan.
