Deadline Sale, Closing Wednesday 4th November 2026 at 2 pm

 4  2  2  157 m²  450 m²

Built in 2023, this four-bedroom home gets the everyday details right. The layout makes good use of the sun, the garden is established and easy to maintain, and the family has room without a long list of jobs waiting for you once you move in. The kitchen sits at the centre of the home, finished in a clean combination of white and wood tones. The dining area sits toward the front, while the living area sits beyond the kitchen, creating a natural separation between the two. From here, two sliding doors open onto a sunny concrete patio, making it easy to take your living outdoors as the warmer months arrive. A heat pump keeps things comfortable through the changing seasons. Set towards the rear of the home, the master bedroom features a full wall of built-in wardrobes with triple sliding doors, plus its own ensuite. Three additional double bedrooms, each with built-in wardrobes, share a centrally located family bathroom. Internal access double garaging provides parking, with the laundry neatly accommodated within the garage.

Outside, the 450m² fully fenced section is already established with Michelia and jasmine plantings, and irrigation is in place to help keep the garden looking its best. It's an easy-care space that lets you enjoy the outdoors without spending all your spare time maintaining it. Whether you are stepping onto the property ladder, looking for a home that works for the family, or adding to your investment portfolio, 27 Palmer Avenue is a home where the practical things are already taken care of.
