Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the limited number of recent sales of comparable properties within the relevant area, only one suitable comparable property has been identified. The property market in this area has limited sales activity, and other available sales were not considered sufficiently comparable in terms of location, land size, property features and overall characteristics to provide a reliable comparison.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
