Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Due to the property's unique features, including its separate title, approved plans and permits for a 4-bedroom townhouse, and completed service connections, fewer than three comparable sales were identified within the last six months. The estimated selling price of $360,000 to $396,000 reflects current market conditions.
