Just want to pass my comments on that Ange, has done an amazing job for us. We are very happy and impressed, in the way she works to find us suitable tenants. She has found reliable tenants in our first house number 3 to look after our lovely investment house.
Today she has locked in another young couple for our second home, to live and enjoy number 8. Ange has come back with regular updates on everything property related. She is prompt in replying and answering any questions. Nothing seems to hard to do, we are both very happy, she works her magic and finds good tenants to appreciate a nice home.

We are more than happy, when we buy again, we will be listing the home with Ange and your team to find suitable tenants.

Let’s make it happen.
