Dear Sir/Madam,

Thank you for the opportunity to provide a rental appraisal for your property; 3 Jeannie Way, Waikanae Beach, Kapiti Coast.

Given the current market conditions, it is our opinion that this three-bedroom property could be offered with a fixed 12-month Tenancy Agreement with the rent being marketed between $720.00 - $750.00 per week.

The above market value is based on similar properties within the same locality of the above-mentioned property address.

Your property offers great rental accommodation in a desirable location. We believe this property will provide suitable accommodation for tenants looking for rental accommodation in Kapiti Coast.

We have retained the details of the property that we recorded at our recent inspection and would be very happy to discuss our management services with you.

Thank you for your enquiry. We trust our report will be satisfactory for your purposes, however, should you require further information, please do not hesitate to contact the undersigned.

Yours sincerely,

Cindy Foote
Company Director BBS (Valuation & Property Management
