The Utah Real Estate Challenge (UREC) is an intercollegiate real estate development competition for undergraduate and graduate students throughout the state of Utah. The competition fosters understanding of real estate development by giving students the opportunity to prepare and present a real estate development plan to a panel of expert judges, and the Utah Real Estate Community for a chance to win one of the following prizes:

1st place - \$20,000 | 2nd place - \$10,000 | 3rd place - \$5,000

The Utah Real Estate Challenge is proudly presented by the Ivory-Boyer Real Estate Center at the University of Utah's David Eccles School of Business, which helps prepare the next generation of leaders in real estate by supporting experiential learning and research opportunities for students. Consider being a sponsor for the 2019 Utah Real Estate Challenge.
