The Master of Accounting (MAcc) program prepares students for a dynamic career in accounting. Learn valuable business and leadership skills that will prepare you to pass the CPA exam and launch an exciting career in public accounting, corporate accounting, nonprofit, government, and other industry sectors. With a MAcc, you are qualified to sit for the CPA exam in Utah and most other states, giving you a number of career opportunities.

- Ranked in the top-10 best accounting programs in the West
- Accredited by the AACSB, along with only 2% of accounting programs worldwide

Please visit Eccles.link/MAccScholarships for more information on scholarships.

**Events**

Attend an event to learn more about the MAcc program. See upcoming dates and register at Eccles.link/MAccEvents.
The MAcc program places a strong emphasis on analytical thinking, communication skills, and professionalism. Our nationally-ranked faculty, including two former academic fellows at the SEC, combine pioneering research and dynamic instruction to engage students in helping to shape the future of accounting.

Career Development
MAcc graduates accept exciting career positions in public accounting, industry, nonprofit, and government. The demand for master’s graduates has increased by 11% since 2014. Over the course of a 40-year career, a CPA can earn as much as $1 million more than a non-certified accountant.

MAcc Areas of Emphasis
- Accounting Information Systems
  With optional Graduate Certificate in Information Systems
- Accounting Business Analytics
  With Graduate Certificate in Business Analytics
- Financial / Audit
- Tax

Attend Full-Time or Part-Time
Students can pursue the MAcc program in either a full-time or part-time format. Full-time students complete the program in two semesters (8 months), taking primarily daytime courses. Part-time students have access to courses during the evenings, can work full-time during the program, and graduate in four semesters (24 months).

Employment Statistics
- Employment Rate: 95%
  employed 3 mo. post-graduation
