ESTIMATED TUITION & FEES

Please visit Eccles.link/MAccTuition for the most current tuition rates.

SCHOLARSHIP OVERVIEW

We offer automatic scholarship consideration for the following awards:
• Half-tuition academic scholarship
• Non-resident scholarship
• University of Utah alumni scholarship

Other scholarship opportunities include diversity, community, and financial need-based scholarships which require additional steps for consideration. Find out more about scholarships at Eccles.link/MAccScholarships.

ATTEND AN EVENT

Join us for an information session, application workshop, or individual admissions appointment to learn more about the MAcc program and how to submit your strongest application. See upcoming dates and register at Eccles.link/MAccEvents.

The Master of Accounting (MAcc) program prepares students for dynamic careers in accounting. Students gain valuable business and leadership skills as they prepare to pass the CPA exam and launch an exciting career in public accounting, corporate accounting, nonprofit, government, or other industry sectors. With a MAcc, graduates are qualified to sit for the CPA exam in Utah and most other states, opening doors to a number of career opportunities.

With full-time and part-time options, a wide-range of areas of emphasis, and program options for those without an accounting background, students from any industry can start or advance their career in accounting with a MAcc from the David Eccles School of Business at the University of Utah.
JOIN A TOP-RANKED PROGRAM

- Ranked TOP-10 in the West by PAR
- AACSB Accredited
- 18% Higher CPA Pass Rate than U.S. average

QUICK HIGHLIGHTS

- 30 CREDIT HOURS
- FALL OR SPRING START
- GRADUATE IN 9 - 24 MONTHS
- OPTIONS FOR NON-ACCOUNTING MAJORS

AREAS OF EMPHASIS

**Financial / Audit**
Analyze and evaluate the validity of organizational information and systems for clients and employers. Audit students will have sharp interpersonal skills and keen knowledge of internal and external controls.

**Tax**
Work with companies or individuals to examine financial records and create, prepare, and file tax documents. Students in this track will be equipped to offer solutions to tax issues and the most current tax code information.

**Accounting Information Systems (AIS) + Audit**
Apply technology, information systems, and project management to the audit field. Students in this track blend technology with their accounting skills and have the opportunity to interact with clients.

**Accounting Information Systems (AIS) + Optional GCIS**
Use both accounting and information systems skills to help companies improve their systems and apply advanced technology to accounting. AIS students have the option to earn a Graduate Certificate in Information Systems (GCIS).

**Accounting Business Analytics (ABA) + GCBA**
Combine accounting and business analytics knowledge to make data-driven decisions for employers and clients. ABA students also earn a Graduate Certificate in Business Analytics (GCBA).

EMPLOYMENT OUTCOMES

- **95%+** Employment Rate, past 15+ years
- **20%+** Average Salary Increase with CPA
- **BIG 4** The Big Four Recruit On-Campus

GET INVOLVED

**Join the Women’s Mentoring Program**
The MAcc Women’s Mentoring Program provides mentorship and female role models to female-identifying MAcc students. Women students benefit from this program by learning from female accounting leaders and attending an accounting-focused women’s conference.

**Explore Accounting Abroad**
Each year, MAcc students have the opportunity to travel abroad to explore international accounting, visit corporations in other countries, and connect with alumni. Past destinations have included London, Oxford, Cambridge, Amsterdam, and Edinburgh.
