The **Master of Accounting (MAcc)** program prepares students for dynamic careers in accounting. Students gain valuable business and leadership skills as they prepare to pass the CPA exam and launch an exciting career in public accounting, corporate accounting, nonprofit, government, or other industry sectors. With a MAcc, graduates are qualified to sit for the CPA exam in Utah and most other states, opening doors to a number of career opportunities.

With full-time and part-time options, a wide range of areas of emphasis, and program options for those without an accounting background, students from any industry can start or advance their career in accounting with a MAcc from the David Eccles School of Business at the University of Utah.

Other scholarship opportunities include diversity, community, and financial need-based scholarships which require additional steps for consideration. Find out more about scholarships at Eccles.link/MAccScholarships.

INVEST IN YOUR FUTURE

✓ Join the Women's Mentoring Program

The MAcc Women's Mentoring Program provides mentorship and female role models to female-identifying MAcc students. Women students benefit from this program by learning from female accounting leaders and attending an accounting-focused women's conference.

✓ No Accounting Experience Required

Go from no experience to earning your Master's degree in accounting with our **Pre-MAcc Online Track** and **Pre-MAcc Summer Intensive** programs. Designed for students with degrees in areas other than accounting, both satisfy prerequisite coursework and prepare students for the MAcc.

ATTEND AN EVENT

Join us for an information session, application workshop, or individual admissions appointment to learn more about the MAcc program and how to submit your strongest application. See upcoming dates and register at Eccles.link/MAccEvents.
