Ranked No. 1 nationally by the Financial Times for Best Value, the Master of Science in Finance (MSF) program is on the rise. Designed to develop innovative thinkers who will lead the next generation of financial professionals, the MSF degree adds clout to your resume and expands your career options.

With formats to attend full- or part-time and a core-to-elective ratio that lets you choose nearly half your classes, the MSF program includes flexibility to customize your degree.

SCHOLARSHIP OVERVIEW
All program applications submitted and completed by the priority deadlines will have first advantage to apply for scholarships. While we tend to award many of our scholarships during the priority period, any remaining scholarships will be awarded to those who are eligible and merit one.

Scholarships require a separate application that will be sent to eligible applicants shortly after receiving an admissions decision. Criteria for selection of awards include demonstrated excellence in academia or professional pursuits, as assessed in your admission and scholarship applications. Availability and amounts of scholarship awards vary year-to-year.

ADDITIONAL SCHOLARSHIP TYPES
• 10% scholarship for all University of Utah alumni (beginning for Spring 2020 applicants)
• Merit scholarships for both resident and non-resident students
• Graduate and teaching assistantships (limited number per year)
• GMAT/GRE scholarships for applicants who achieve a 650 or higher GMAT score

Ranked No. 1 nationally by the Financial Times for Best Value, the Master of Science in Finance (MSF) program is on the rise. Designed to develop innovative thinkers who will lead the next generation of financial professionals, the MSF degree adds clout to your resume and expands your career options.

With formats to attend full- or part-time and a core-to-elective ratio that lets you choose nearly half your classes, the MSF program includes flexibility to customize your degree.
