BENEFITS OF THE ONLINE FORMAT

School on Your Schedule

Students complete their coursework when and where they can, planning study time according to their work, travel, and family schedules.

Stay on Track

The MSIS Online curriculum is highly structured. Assignments are due consistently throughout the semester, so students can stay on track each week.

High-Quality Courses

Online courses feature recorded video lectures and follow the same timeline and rigorous modules as in-person courses.

Weekly Webinars with Instructors

Instructors host webinars each week of the semester, where students have the chance to interact live with the class or to watch the recording at a later time.

CAREER SERVICES

MSIS Online students benefit from working one-on-one with a dedicated career coach throughout the program. The MSIS career coach helps students prepare to enter the growing market for technology professionals as well as teaches a one-credit-hour course on career development.

With strong industry partnerships ranging from Fortune 500 companies to innovative start-ups, our MSIS graduates accept job opportunities at some of the most prestigious corporations in the United States.

INCREASE YOUR SKILLS

Capstone Project

Students complete a hands-on capstone project as the culmination of their degree. In the capstone, students put their classroom knowledge to work to complete a complex information systems project. Communication and deliverables are accomplished remotely. The capstone project is three credit hours completed over three semesters.

Concurrent Degrees

Students have the option to earn a Full-Time MBA, Professional MBA, MBA Online, MS Business Analytics or MS Finance concurrently with the MSIS Online program. Learn more at [Eccles.link/MSISO-Concurrent](https://eccles.link/MSISO-Concurrent).
