SCHOLARSHIP OVERVIEW

Applicants with a complete MSIS application and a minimum 550 GMAT score or approved GMAT waiver are eligible to apply for admissions scholarships. A separate scholarship application will be emailed to eligible applicants after notification of their admissions decision. Criteria for awards include demonstrated excellence in academic or professional pursuits, as assessed in program and scholarship applications.

10% SCHOLARSHIP FOR U OF U ALUMNI

University of Utah alumni are eligible for a 10% scholarship once admitted to the MSIS program. Applicants can qualify for this award by including the University of Utah as their degree-granting institution as well as uploading unofficial transcripts on their program application.

MSIS ONLINE
MASTER OF SCIENCE IN INFORMATION SYSTEMS ONLINE

The Master of Science in Information Systems (MSIS) Online offers technical education with a business slant. Students gain the skills necessary to manage the technology of business and can immediately apply what they learn to their professions. Industry-driven coursework and opportunities for hands-on experience prepare graduates for leadership positions in one of today's fastest-growing job sectors. Delivered in an interactive and accessible online format, the MSIS Online is designed for maximum flexibility.
Capstone Project
Students complete a hands-on capstone project as the culmination of their degree. In the capstone, students put their classroom knowledge to work to complete a complex information systems project. Communication and deliverables are accomplished remotely. The capstone is three credit hours completed over three semesters, students can choose either a consulting project or an industry certification.

CAREER SERVICES
MSIS Online students benefit from working one-on-one with a dedicated career coach throughout the program. The MSIS career coach helps students prepare to enter the growing market for technology professionals and teaches a one-credit-hour course on career development.

With strong industry partnerships ranging from Fortune 500 companies to innovative start-ups, our MSIS graduates accept job opportunities at some of the most prestigious corporations in the United States.
