SCHOLARSHIP OVERVIEW

Applicants with a complete MSIS application by the scholarship deadline and a minimum 550 GMAT score or approved GMAT waiver are eligible to apply for admissions scholarships. A separate scholarship application will be emailed to eligible applicants after notification of their admissions decision. Criteria for awards include demonstrated excellence in academic or professional pursuits, as assessed in program and scholarship applications.

10% SCHOLARSHIP FOR U OF U ALUMNI

Beginning with Spring 2020 applicants, all University of Utah alumni are eligible for a 10% tuition scholarship once admitted to the Eccles School MSIS program. Applicants can qualify for this award by including the University of Utah as their degree-granting institution as well as uploading unofficial transcripts on their program application.

Designed to provide the advanced education necessary to manage the technology of business, the Master of Science in Information Systems (MSIS) program offers business education with a practical slant. Industry-driven coursework and opportunities for hands-on experience prepare our graduates for leadership positions in one of today’s fastest growing job sectors.

With evening courses and four areas of specialty, students can fit the program to their schedule and customize their degree.
**QUICK HIGHLIGHTS**

- Take Evening & Online Classes
- Continue to Work While in School
- Graduate in As Little As a Year
- Attend Full-Time or Part-Time
- Enter Utah’s Booming Tech Market
- Start in Fall, Spring, or Summer
- Complete 30 Credit Hours
- STEM Program with OPT Extension

**AREAS OF SPECIALIZATION**

**IT Security**
Gain an in-depth knowledge of network architecture, potential security threats, and how to keep systems safe and secure.

**Software & Systems Architecture**
Learn the science of assessing available resources and developing the best model for system functionality, efficiency, and business goals.

**Product & Process Management**
Utilize your technical knowledge to optimize processes, anticipate challenges, and work with teams to meet deadlines.

**Business Intelligence & Analytics**
Gain the skill set required to discover new business areas, find and solve problems, and translate data for non-technical groups.

**EMPLOYMENT SUCCESS**

**STARTING SALARY**
$76,933
average starting salary of MSIS graduates, 2019

**EMPLEYMENT RATE**
98%
MSIS graduates employed 3 months post-graduation, 2019

**CAREER SERVICES**
MSIS students benefit from working one-on-one with a dedicated career coach throughout the program. The MSIS career coach helps students prepare to enter the growing market for technology professionals as well as teaches a one-credit-hour course on career development.

With a number of Fortune 500 technology companies located in and near Salt Lake City, our MSIS graduates accept job opportunities at some of the most prestigious corporations in the United States.

**INCREASE YOUR SKILLS**

**Capstone Project**
Students complete a hands-on capstone project as the culmination of their degree. In the capstone, students put their classroom knowledge to work to complete a complex information systems project. The capstone project is three credit hours completed over three semesters.

**Concurrent Degrees**
Students have the option to earn a Full-Time MBA, Professional MBA, MBA Online, MS Business Analytics, or MS Finance concurrently with the MSIS. Learn more at [Eccles.link/MSIS-Concurrent](Eccles.link/MSIS-Concurrent).
