## SCHOLARSHIP OVERVIEW

Applicants with a complete MSIS application and a minimum 550 GMAT score or approved GMAT waiver are eligible to apply for admissions scholarships. A separate scholarship application will be emailed to eligible applicants after notification of their admissions decision. Criteria for awards include demonstrated excellence in academic or professional pursuits, as assessed in program and scholarship applications.

## 10% SCHOLARSHIP FOR U OF U ALUMNI

University of Utah alumni are eligible for a 10% tuition scholarship once admitted to the Eccles School MSIS program. Applicants can qualify for this award by including the University of Utah as their degree-granting institution as well as uploading unofficial transcripts on their program application.

## AREAS OF SPECIALIZATION

### IT Security

Gain an in-depth knowledge of network architecture, potential security threats, and how to keep systems safe and secure.

### Software & Systems Architecture

Learn the science of assessing available resources and developing the best model for system functionality, efficiency, and business goals.

### Product & Process Management

Utilize your technical knowledge to optimize processes, anticipate challenges, and work with teams to meet deadlines.

### Business Intelligence & Analytics

Gain the skill set required to discover new business areas, find and solve problems, and translate data for non-technical groups.

## EMPLOYMENT SUCCESS

STARTING SALARY

**\$76,933**

average starting salary of MSIS graduates, 2019

EMPLOYMENT RATE

**98%**

MSIS graduates employed 3 months post-graduation, 2019

## CAREER SERVICES

MSIS students benefit from working one-on-one with a dedicated career coach throughout the program. The MSIS career coach helps students prepare to enter the growing market for technology professionals and teaches a one-credit-hour course on career development.

With a number of Fortune 500 technology companies located in and near Salt Lake City, our MSIS graduates accept job opportunities at some of the most prestigious corporations in the United States.

## INCREASE YOUR SKILLS

### Capstone Project

Students complete a hands-on capstone project as the culmination of their degree. In the capstone, students put their classroom knowledge to work to complete a complex information systems project. The capstone project is three credit hours completed over three semesters. MSIS students can choose either a consulting project or an industry certification.

### Concurrent Degrees

Students have the option to earn a Full-Time MBA, Professional MBA, MBA Online, MS Business Analytics, or MS Finance concurrently with the MSIS. Learn more at [Eccles.link/MSIS-Concurrent](https://eccles.link/MSIS-Concurrent).
