Dance Again Ministries is building a culture of freedom by teaching others how to live infilled with the power of Jesus in order to love Him and others.

After covid-19 struck the world, our organization began implementing virtual ways to reach more people at a time due to the urgency of the hour, of the age we are currently living in. Here is how we are moving forward in our mission:

Fishers of Men Discipleship –

Our **Fishers of Men Discipleship Training** has become virtual. This training is a 15-week jump start to living a lifestyle of freedom. After completing the training there are more opportunities through small groups, retreats, and leading others. If you are interested in getting started, check out our website.

Small Groups -

Doing life with others is key for healthy living. Virtual small groups are forming after completing the 15-week **Fishers of Men Discipleship Training**. We do life together by building trusting relationships, sharing our hearts, and encouraging one another as we walk through the peaks and valleys of life.

Teachers Workshop –

After going through the 15-week **Fishers of Men Discipleship Curriculum** sign up for our Teacher's Workshop. Our teacher workshop is now virtual and is open for anyone who is desiring to lead, teach, and mentor others. Living a lifestyle of freedom qualifies you for teaching under the umbrella of Dance Again Ministries.

Trivia Night –

Our annual Trivia Night has been cancelled for the 2020 calendar year. We are currently working on recruiting donors through building interpersonal relationships and keeping the long-term relationship top priority. Following are the four stages of our new donor journey: Awareness, Exploration, Expansion, Commitment.

Filming –

Our classes will be available online! More information will follow on how and when our online classes will be accessible.

Retreats –

Dance Again Ministries hosts two annual retreats, one in the spring and one in the fall. Our fall retreat is focused on **RECEIVING** and will be held in St. Augustine, FL September 14-20, 2020. Our spring retreat is focused on **GIVING** and the date will be determined soon. The **Fishers of Men Discipleship Training** class must be completed for the spring retreat. Check out our website for more details and how to register.

Seminars – On hold until further notice.

At Dance Again Ministries, our hope is to live in the abundant Life that is made available to us. Together let's set the pace to live each day to the fullest by holding each other up through the challenges and rejoicing with one another in the victories.
