

KLAMATH FALLS GOSPEL MISSION Recovery Center

Teaming up to help!

The Klamath District of the Boy Scouts and the Klamath Falls Lions Club joined together to raise money to build hygiene kits to be distributed to the Klamath Gospel Mission and Marta's House Women's Crisis Center.

Donations were collected on Facebook and at Fred Myer. The donations collected were used to purchase the items needed to build 132 kits. Each kit contained: A first aid kit, soap, a brush & comb, deodorant, cotton swabs, tooth brush & tooth paste, 2 razors, a wash cloth, shampoo, aspirin, and a container.

Some of the kits were donated by local BSA Troops. Troop 8, led by Scoutmaster Daren Jordre and adult volunteers Ross and Jenifer Kelly, provided 20 of the kits.

The kits were given to the Gospel Mission and Marta's House at a special presentation at the weekly Lions Club meeting on Tuesday. It was at this presentation that the Gospel Mission received 82 of the kits and Marta's House received 50 kits.

We are all overwhelmed with the response that we received from the community. All of this could not have been accomplished without the generosity of all of those who donated online or at Fred Myer.

The fund raiser is still active on Facebook for those who would like to donate. Just search for the Klamath Falls Gospel Mission and click the fund raiser tab.
