GOSPEL MISSION

In the book of Judges, the man Gideon was told "The Lord is with you" and the Lord wanted to show Himself strong, so the Lord spoke through Gideon to 22,000 people... "if you are fearful and trembling, GO HOME." So the number left was 10,000.

The Lord had the remaining 10,000 drink water and basically those who drank like a dog had to go home too. This left "300" that were "STRONG", because though small in number, their hope was in their God. Despite insurmountable odds, those "300" ended up defeating an army of 135,000.

What does this mean to you? We have seemingly insurmountable odds with the spiritual and physical warfare that many men, women and children are going through right here in the Klamath Basin but we also have the same God that Gideon does. "300 STRONG" signifies a small number of people, that are not afraid of this fight because they know God is for them and they don't drink water like a puppy.

Will you be one of the 300, the "300 STRONG" (monthly givers)?
