TESTIMONIALS

"Rhonda Williams is one of those unique individuals with the ability to form inquiries, invitations, and insights that are at once eye-opening and transformative. She brings her devoted energy, bright mind, creativity and unbounded commitment to each and every encounter, whether she is engaged with a large group or in a one-on-one experience. She is, in the simplest of terms, a joyful, smart, energized instrument of positive personal and organizational change. My admiration for her is boundless!"-

Carla J. Roterig, MD
(Pulmonary & Critical Care Medicine)

Rhonda Y. Williams is a dynamic leader, author, speaker, trainer and coach. She masterfully blends her unique executive leadership experience, entrepreneur accomplishments and down to earth style to deliver an experience that is both memorable, engaging and educational for the audience.

As an emotional intelligence (EQ) expert, Rhonda uses her own life as a petri dish to illustrate how purposefully approaching challenges, both personally and professionally, can be the spring board for your next success. Personally and professionally, can be the spring board for your next success. Rhonda is the founder of Dream Life Global Enterprise Corp and Dream Life University where her mission is to educate, inspire and rescue executives and entrepreneurs who have been emotionally hijacked by their life or career.
