## General Information and Blood Exposure Setup

On behalf of National Testing Network we welcome you to your blood exposure exam. Here are some basic rules.

- To remain in this exam, you must follow exam rules.
- No food, beverages or smoking are allowed.
- No talking is allowed.
- You need permission to leave the testing area.
- The exam timer does NOT STOP if you leave your station.
- Your stool, your kit and your disposal receptacles must be on the floor and underneath your assigned work station.
- Make sure your product labels are facing the evaluator so they can be easily read.

During the entire exam, you are being evaluated on personal and client safety, sanitation and infection control procedures. That includes maintaining cleanliness and strict sanitation while you work and sanitizing your hands at any point during the exam.

In a few minutes you will be told to begin setting up your workstation. After you hear the start tone, you will have 5 minutes, with a reminder when you have 1 minute left. Do not start until you are told to begin. This 5 minute setup includes your mannequin . . . your waste disposal receptacles. . your disinfectant...your blood exposure kit . . . and any other general workstation items that you wish to take out.

You should have plenty of time to perform this setup without rushing.

## Manicure

### Introduction:

Manicuring services are about to begin. The mannequin hand represents a real person, the same person for all services. To get credit for the steps you perform, you must maintain the hand in the same position you would when an actual service is being performed on a client.

The first service will be a basic manicure without nail polish.

You have 2 minutes to set up your implements, products and tools. **(Tone)**

**(Tone) Time's up, stop working.**

You will have 15 minutes to perform a basic manicure without nail polish, with a 3 minute reminder. Do not start until you are told to do so. After the start tone, perform the manicure. The massage portion of the service should simply be a one minute demonstration. When you finish the manicure, clear manicure items from your station, clean up and sanitize your station and raise your hand.

## Clean up and Sanitation

The last part of your exam is to completely clear and sanitize your area. That includes sweeping all debris from the floor and packaging all garbage to take with you. You may not leave disposable materials or anything else in the facility. When you are ready to leave, stand back and raise your hand. An evaluator will check your area and release you to leave. You will be evaluated on how clean you have left your area.

Your test administrators cannot answer questions about how you did on today's exam. Within one week, your exam results will be posted on your online account page and you can access them with your user name and password. Your scores are not going to be sent to your school. The Candidate Information Bulletin has information about how you get your license once you have passed.

Begin cleaning now. **(Tone)**
