

# Data transmission solutions for mining and tunneling

Edition 2019/05

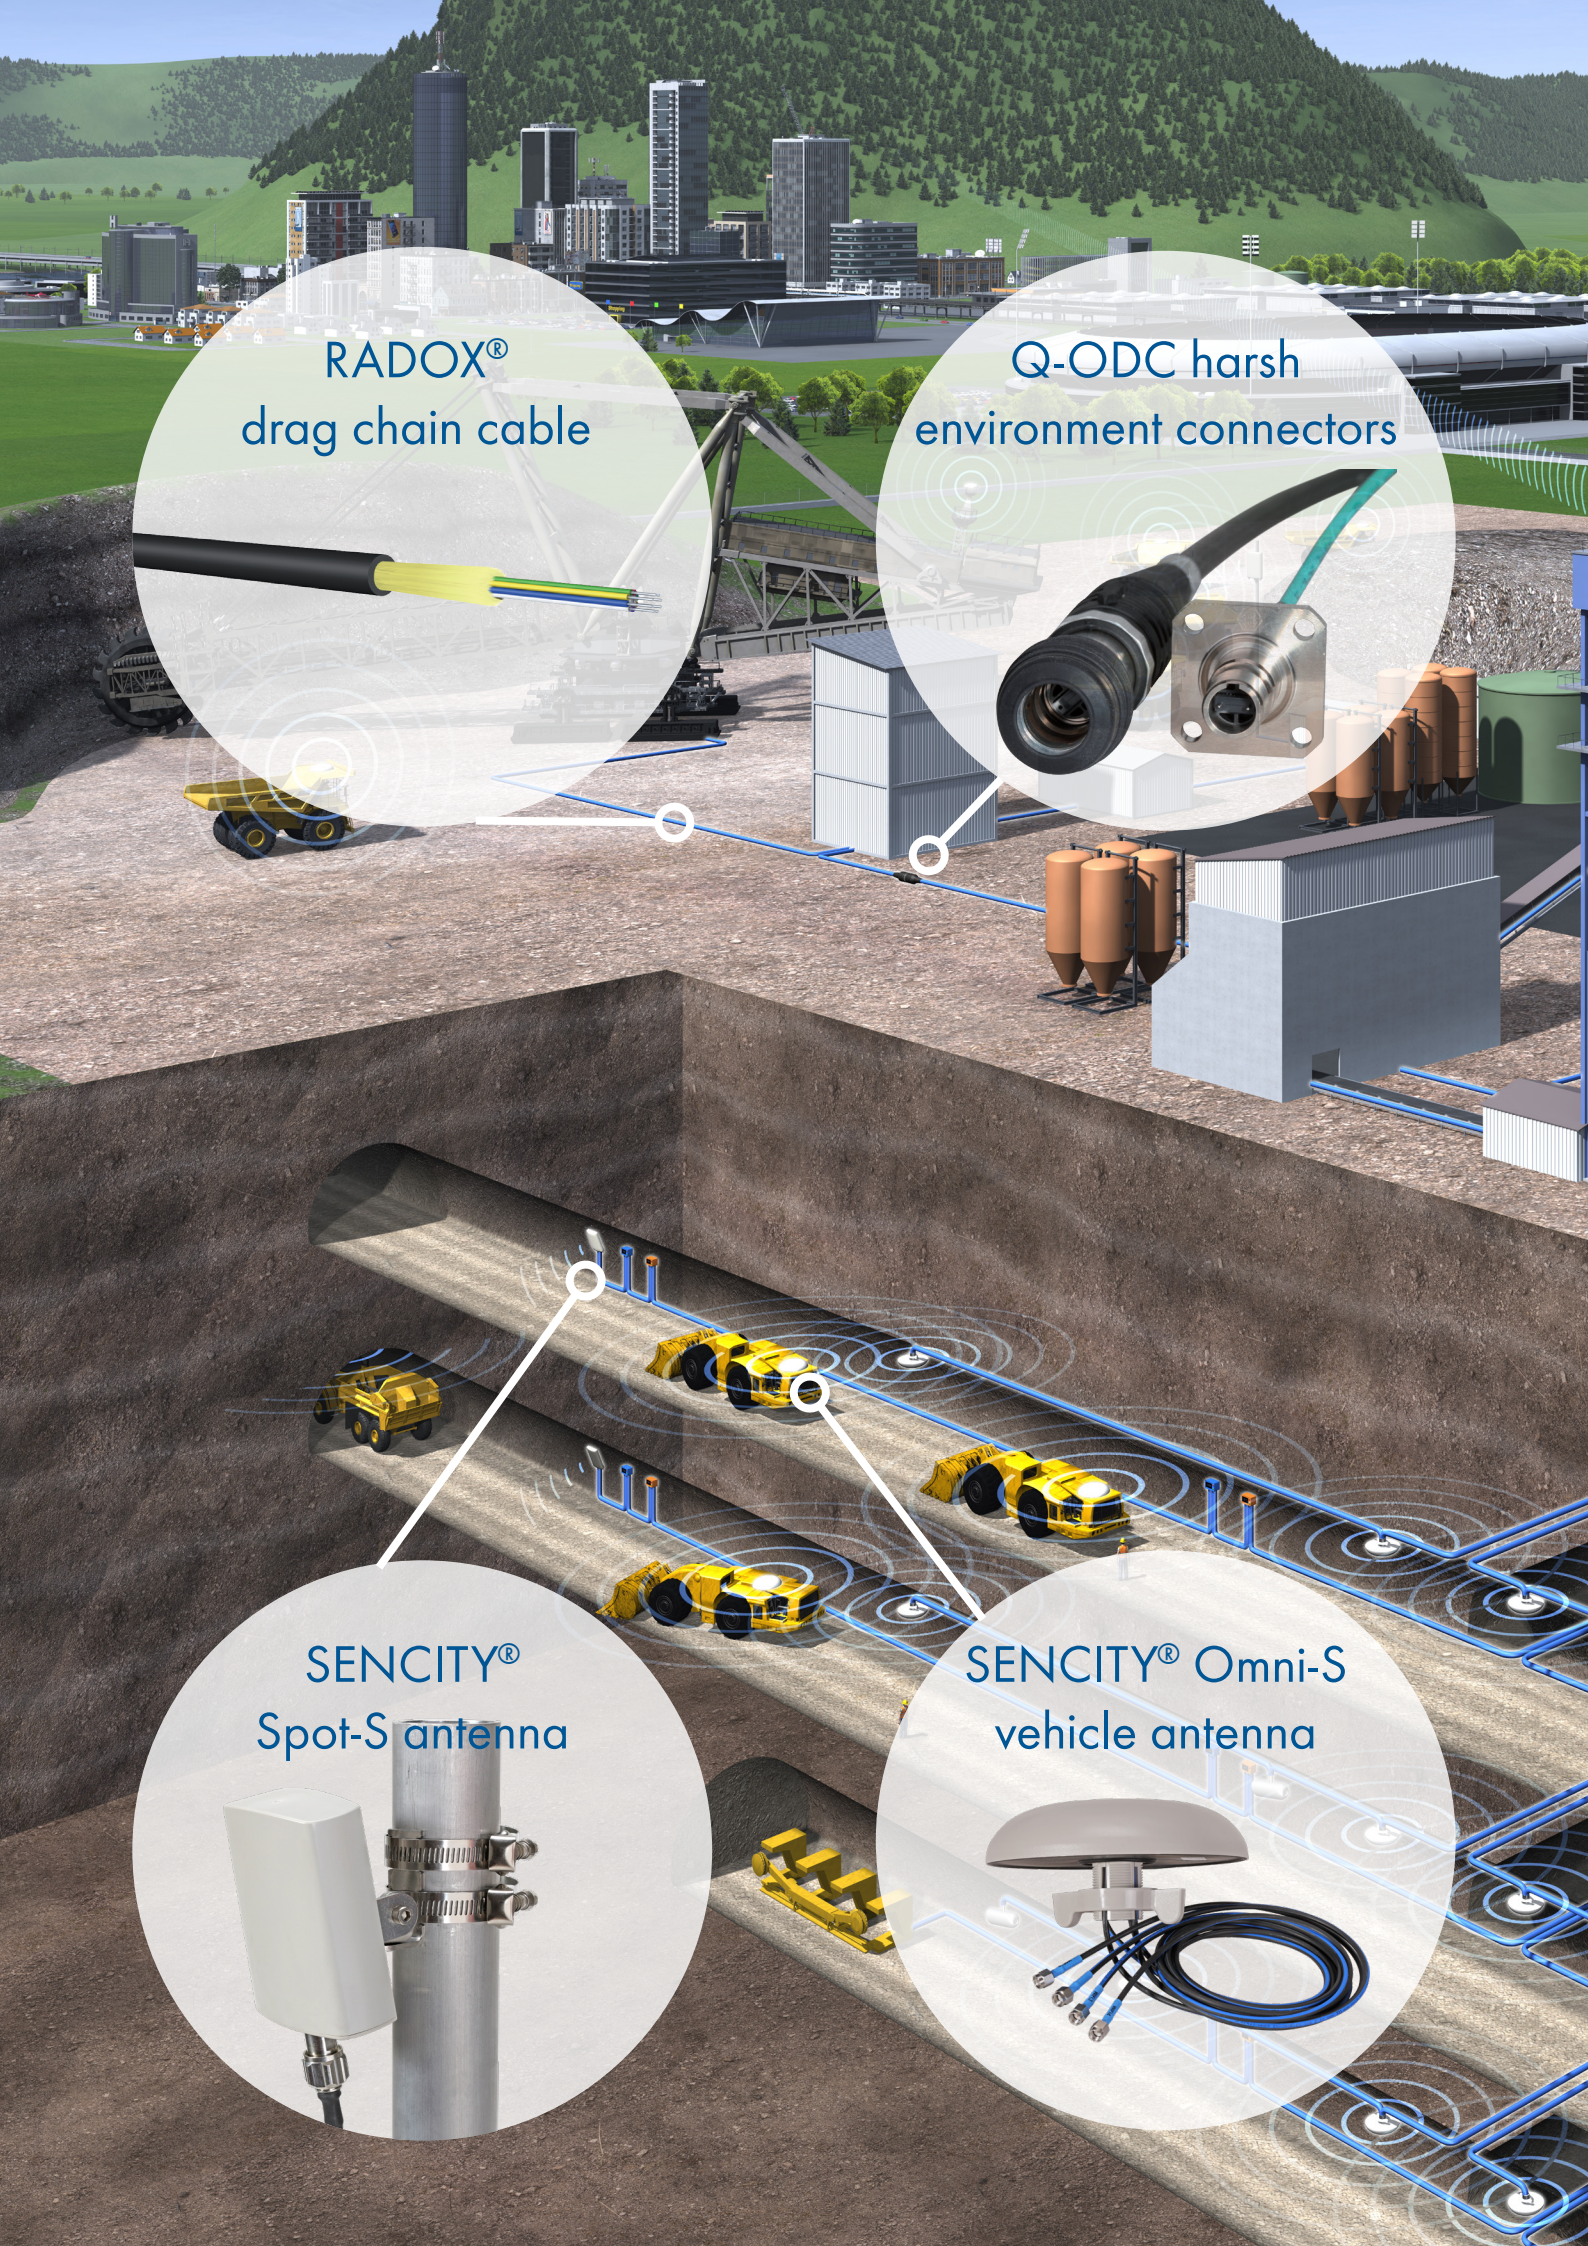

HUBER+SUHNER supplies components and system solutions that enable optical and RF connectivity in the harsh environments of the mining and tunneling industry.

RADOX®  
drag chain cable

Q-ODC harsh  
environment connectors

SENCITY®  
Spot-S antenna

SENCITY® Omni-S  
vehicle antenna

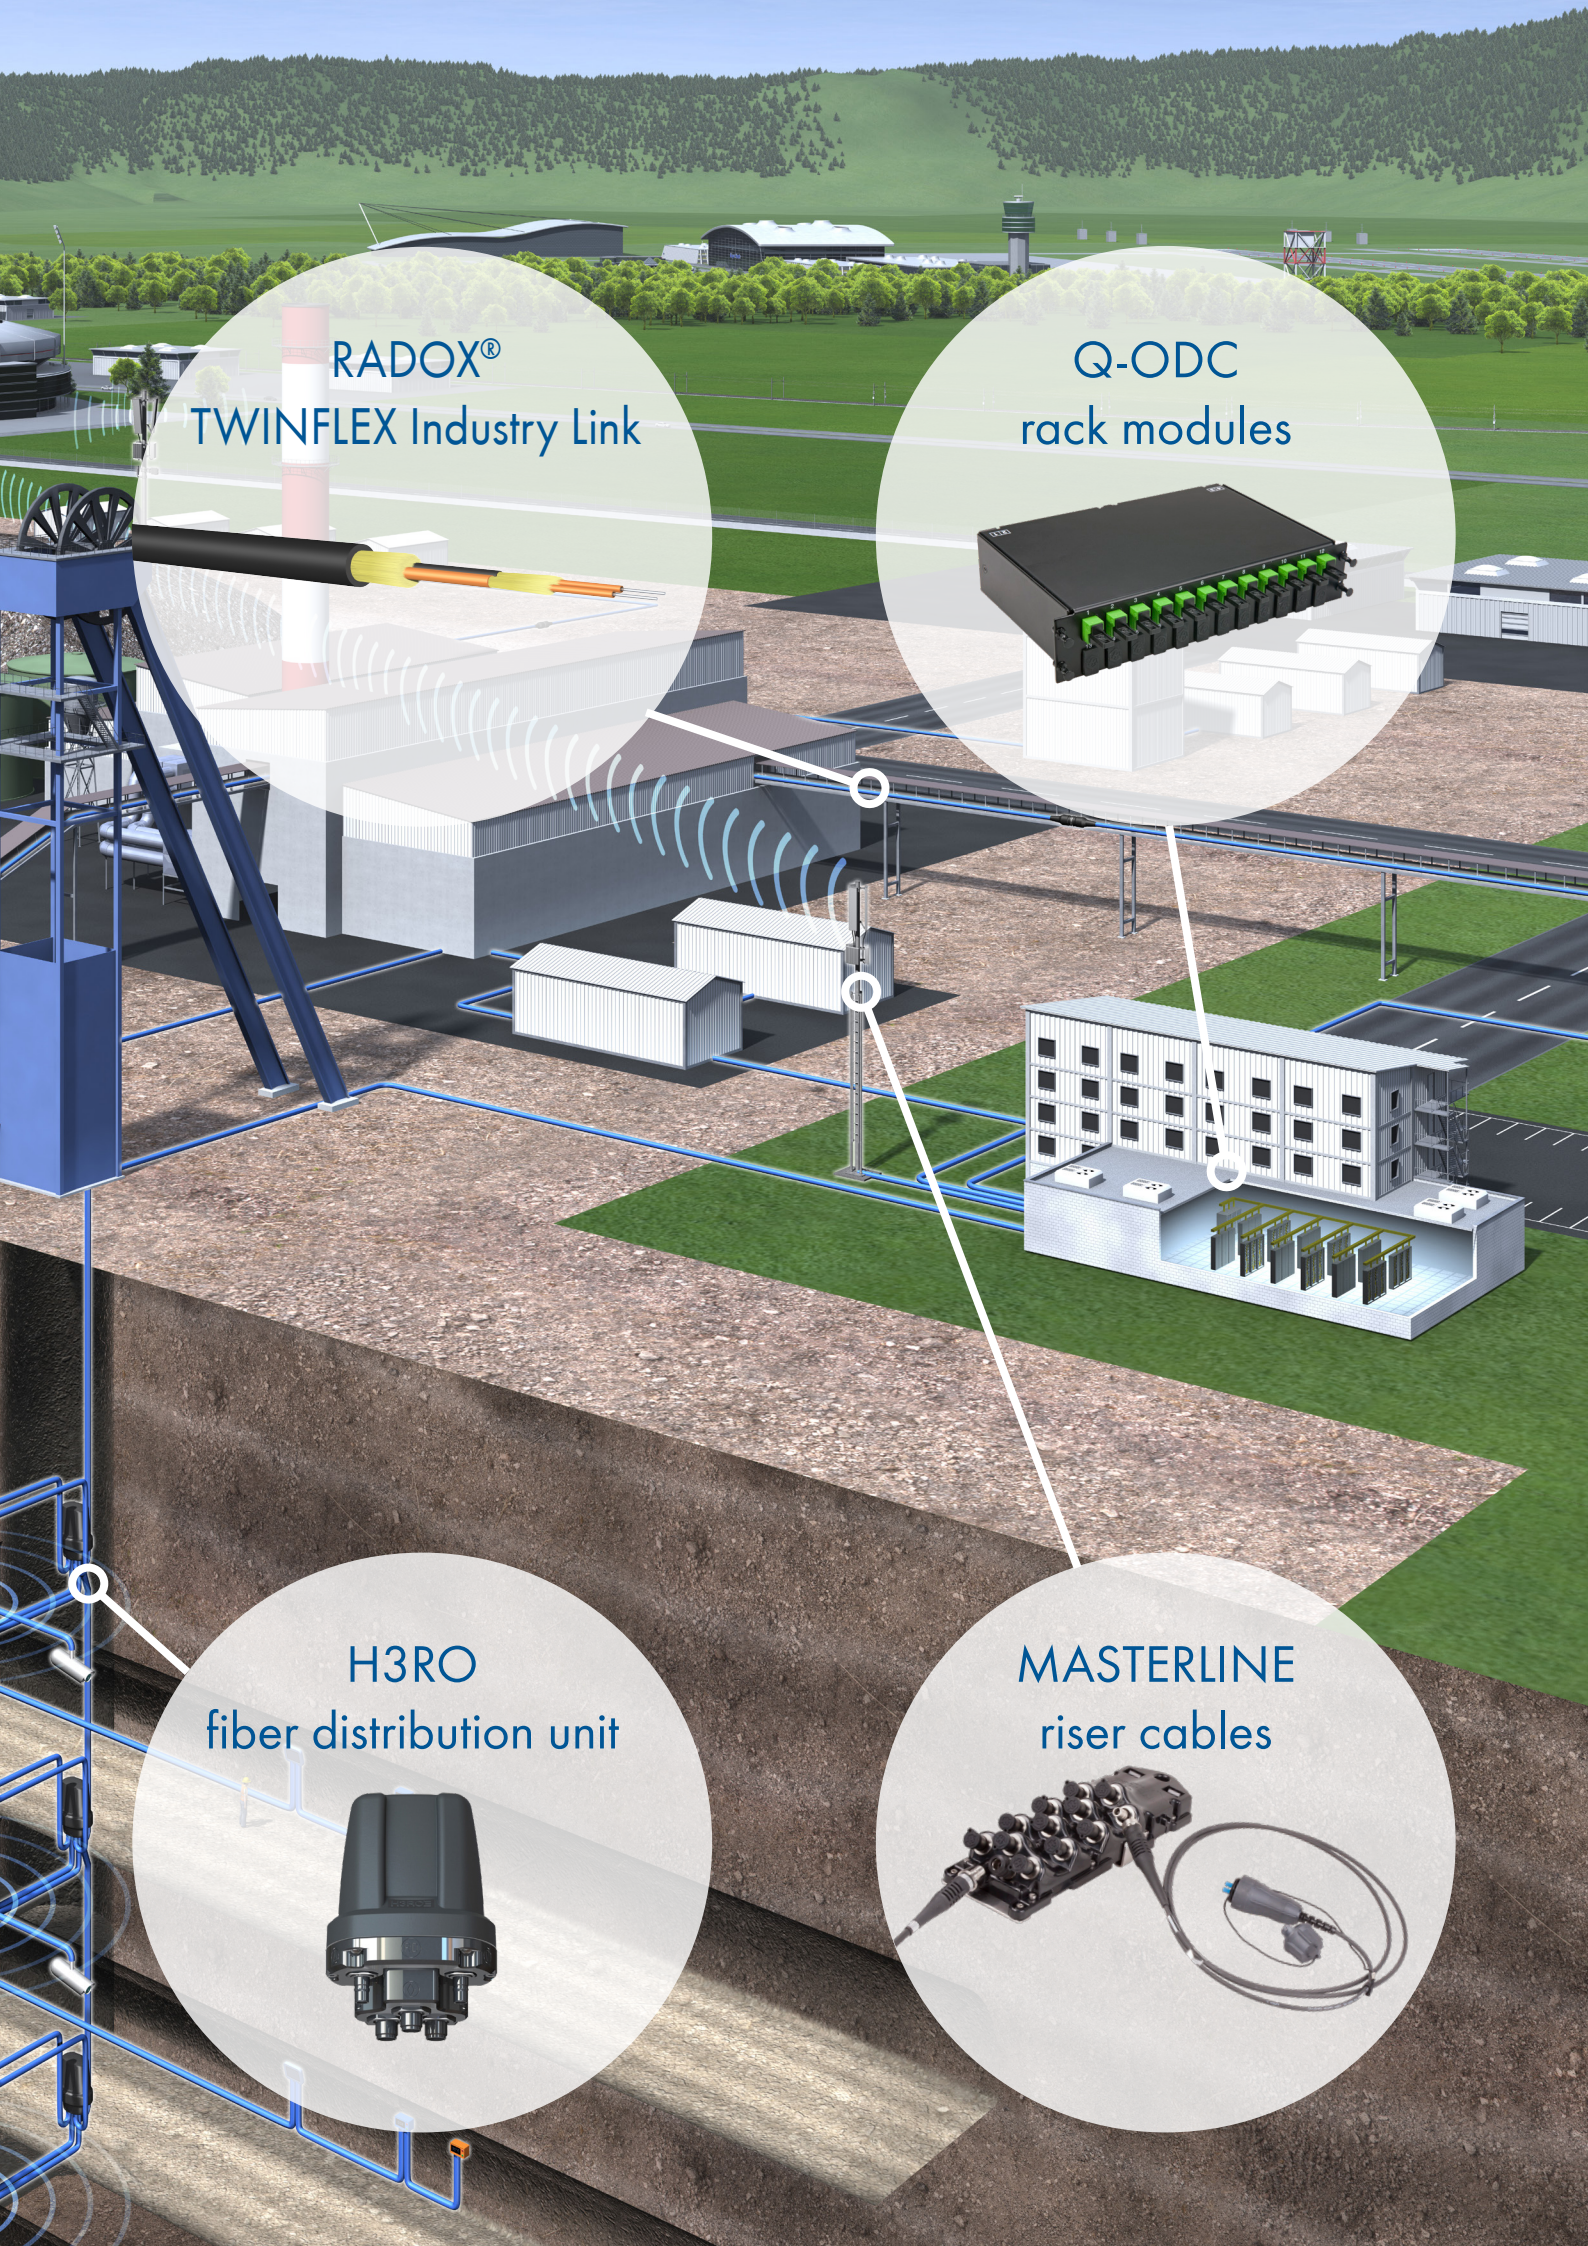

RADOX®  
TWINFLEX Industry Link

Q-ODC  
rack modules

H3RO  
fiber distribution unit

MASTERLINE  
riser cables

# Product Portfolio

Plug & play for your PON network

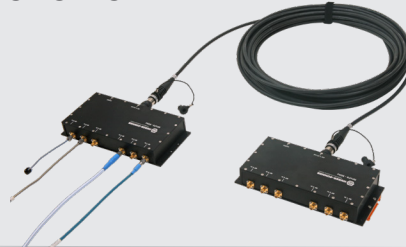

Mast-top installation made easy

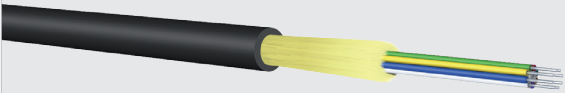

Compact and powerful

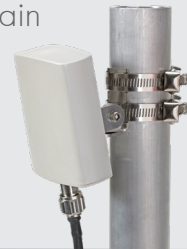

Bringing together the best of both worlds

Reliable performance under continuous stress

Flexible communication throughout your value chain

Outstanding in every respect, in every environment

Asset tracking and control enabling autonomous operations
