

Innovation For Humanity

Foldable housing units designed for all.

Cmax mobile units are the multipurpose housing solutions for mobile clinics, glamping, temporary housing, field offices and beyond.

cmaxsystem.com

Features

Elevated Rigid Floor

Unique in its segment, this feature allows washing and keeping surfaces free of bacteria, avoiding contact with humidity, mud and vectors.

Tool-free Set up

Cmax is the first foldable and relocatable housing unit. In just 5 minutes and without tools, you can have your unit ready for use.

Breathable

The unit has windows strategically positioned to let natural light in and allow air flow circulate from top to bottom.

Cmax units with

High Ceilings

Comfortable space with a 7 feet high interior ceiling.

Cmax units are tall enough for everyone to stand up straight.

Multiple Uses

Cmax Glamp

For recreation

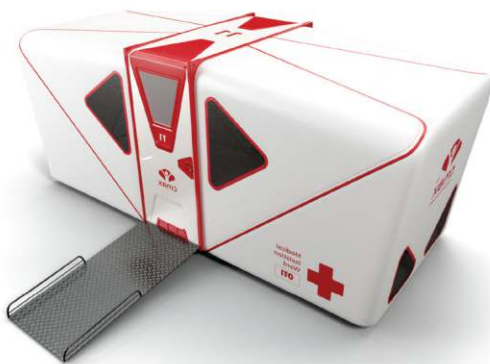

Cmax Camp

For natural disasters

Cmax Med

For medical services

Cmax Custom

Customizable Design

If you want something completely unique, a one-of-a-kind C-Max unit can be designed to become the center of attention.

Made with innovation, hi-tech and passion

Our company was founded to dignify lives and
make a business with the purpose to bring
innovation for humanity.

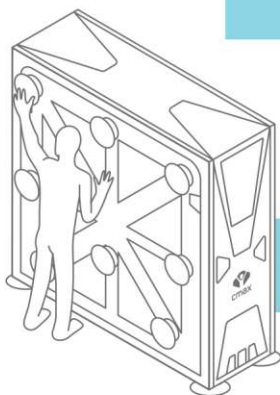

**Feel good
shopping
and giving**

For every 10 units you buy from
our company, we will donate 1
unit to an NGO, government or
family in need somewhere in
the world.

Tool-free Set up

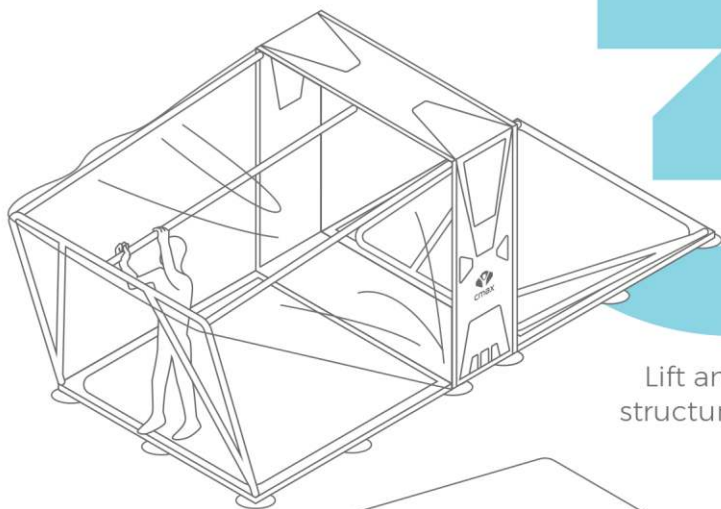

in 5 minutes

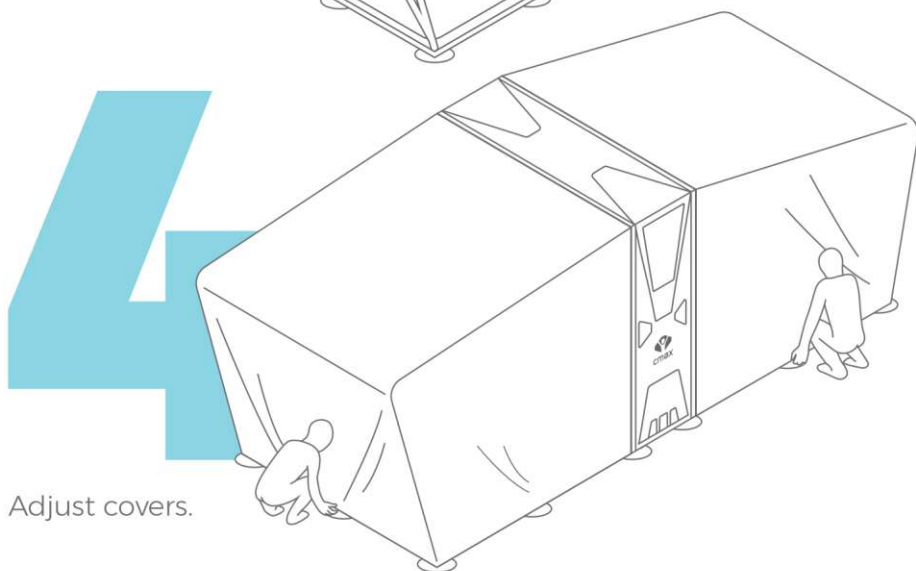

Install legs.

Unfold sides.

Lift and place the
structure crossbars.

Adjust covers.

All-in-box Solution

The "All-in-box" solution created to allow an easy lower shipping and logistics' cost.
