WHAT IS THE TEEN SUMMIT?

The annual Teen Summit is End Domestic Abuse Wisconsin’s largest training. Bringing youth, parents, educators, activist, and mentors from all over Wisconsin to learn about healthy relationships, teen dating violence (TDV), and sexual assault (SA) within a larger anti-oppression framework.

It will be a celebration of our many successes, as well as, a time to revive and strengthen ourselves and our movement. We welcome attendees to challenge preconceived notions on how to deal with these issues and learn new strategies for successful prevention and education on teen issues.

## WHAT TO EXPECT

### KEYNOTES

Our keynotes bring it all together by addressing the many intersections of root causes of violence. Engaging, inviting, and photo ops! In 2019, we had Lah Tere, Rosa Clemente, & Ajani Carr!

### WORKSHOPS

Workshops chosen are ones that have at least 1 teen co-facilitator and a topic that intersects with healthy relationships, TDV, and SA.

### PEER ROUNDTABLES

Peer Roundtables are a less formal way to educate and connect with others. There are youth peer roundtables and adult peer roundtables offered.

### AFFINITY GROUPS

In movement building - we recognize we must do work together, but also separately, with those who identify similarly with our experiences! These spaces to connect with folx who identify similarly to yourself. For example, last year we held spaces for folx who identified as Hmoob and/or Southeast Asian, Latinx, Native American, Black or Indigenous and LGBTQ+.
