

SUBJ: Do you still want to work with me 1-2-1 ? [extremely rare opportunity]

Dear [name]

I trust all is well and you are enjoying the Business Buying Accelerator Coaching Program. Let me know how you are getting on with deal origination, your deal negotiations and capital raising for the deposit payments.

As a reminder, you have full Helpdesk access, which is manned by my crack team of dealmakers 24/7.

My reason for emailing you is that many members have been asking me for ages to mentor them personally, 1-2-1. To really get into the weeds of your deals and leverage my 25 years of deal making activity into your specific deals and projects.

I would need to clone myself 25 times to be able to serve everyone who has asked me to mentor them.

So, what I'm going to do is this ....

I'm going to mentor a total of SIX people

I'm not going to do it on a first-come, first served basis, since I know those SIX spots will be taken within minutes (remember, I'm not selling the latest Rolling Stones concert tickets)

And I know some of you aren't checking email in real time (hopefully you are meeting sellers and financiers and DOING DEALS)

So, in classic eBay style, I'm going to let you bid for my time.

Here's the offer ...

I will mentor you for SIX months ...

I will have my deal making team review up to TEN of your deals submitted during this time ...

I will Skype you personally for a total of TWELVE hours. This can be one hour calls, 30-minute calls, half day strategy sessions ... You decide. We will schedule these sessions at times that mutually work for us. We can even use some of these sessions to have me JOIN you on seller calls.

Want to see me strut my stuff with a seller? This is your opportunity ...

What's the investment for this ? You decide ... You have to bid.

There's isn't some fancy, eBay style app or site for you to do this. If you want me looking over your shoulder and a massive part of your deal making team, just REPLY to this email with the \$\$\$ amount you want to bid for my time and service.

I will probably NOT do this again.

Bidding starts today and will end on November 1st at 11:59pm EDT.

You need to have liquid funds available to transact on this within 24-hours of me selecting you for this journey.

\*\*\* IMPORTANT \*\*\*

Alongside your maximum bid, send me a few bullet points on WHY you want me to consider you for this. This will be a factor in my decision.

Carl
