Remember Me

I have only one favor to ask of you--  
Remember me in all that you say and do.  
Remember what I taught, and the song I liked to sing.  
Remember how I could find joy and laughter in almost anything.  
Remember how my smile of sunshine dried your tears of rain--  
Remember how my warm hug could erase your hurt and pain.  
Please remember all these things each time you remember me  
And know that I'm only as far as you ever want me to be.  
It's beautiful and peaceful this place that I roam  
It's nothing like the earthly place, this is really home!  
This is not good bye, so dry those falling tears--  
Just remember me as I was, and I'll see you when you get here  
Remember me as you pass by-- as you are, so was I  
This Earth is only temporary--  
We'll live together forever in eternity.  
There's one more thing I like to say...  
Like doesn't stop because you don't see my face  
As you live your life thank GOD for each day  
He gives us more than we realize; yet we don't take time to pray  
You think, "Never again will we be together."  
...But I know that never again will we be apart  
Never again do I have to leave you--  
Now I live in your heart.
