

## *God's Garden*

God looked around His garden  
and found an empty place.  
He then looked down upon the earth,  
and saw your tired face.  
He put his arms around you,  
and lifted you to rest,  
God's garden must be beautiful  
He always takes the best.  
He saw the road was getting rough  
and the hills were had to climb,  
so He closed your weary eyelids  
and whispered, "Peace be thine".  
It broke our hearts to lose you,  
but you did not go alone  
For part of us went with you,  
The day God called you home.

## *Expression of Gratitude*

Your words have comforted us, your support has strengthened us, and your love has sustained us. We extend our deepest thanks to you for your kindness during our sadness. We appreciate it more than words can express, and it will always be remembered.
