

Miss Me... But Let Me Go

When I come to the end of the day
And the sun has set for me
I want no rites in a gloom-filled room.
Why cry for a
soul set free?

Miss me a little, but not too long
And not with your head bowed low.
Remember the love we once shared-
Miss me, but let me go.
For this is a journey we all must take
And each must go alone.
It's all a part of the Maker's plan,
A step on the road to **HOME**.
When you are lonely and sick at heart
Go to the friends we know, & bury your sorrows
In doing good deeds-
Miss me, but let me go.
