

# Hera

You held my hand when I was small  
You caught me when I fell  
You are the hero of my childhood  
And later years as well  
And every time I think of you  
My heart still fills with pride  
Though I will always miss you, Dad  
I know you're by my side  
In laughter and in sorrow  
In sunshine and in rain  
I know you're watching over me  
Until we meet again.

## A Note of Thanks

With deep appreciation and gratitude, we wish to express our sincere thanks to the many family and friends for expressions of kindness shown during the loss of our loved one. May God bless each and every one of you. We shall always remember you.
