Speak to Your Mountain

What mountain is in front of you this morning---a sickness, a troubled relationship, a floundering business? Jesus said that whatever your mountain is, you must do more than think or pray about it; you must speak to that obstacle.

The Bible says, "Let the weakling say, I am strong" (Joel 3:10). Start calling yourself healed, happy, whole, blessed, and prosperous. God is a miracle--working God. Stop talking to God about how big your mountains are and start talking to your mountains about how big your God is!!!
