

It's hard to show emotions sometimes bc I try so hard to be tough all the time. But I am broken bc we stayed so much together and you always made me feel special about our talent we shared. I know you aren't suffering anymore and tired but I miss you so much already Damien. I can't cry in front of people but I couldn't help it. Everytime I think about you I can't hold back a tear or two... you really got me with this one cousin ❤️

Promises

We feel broken, but not hopeless,
For we are buoyed up by Him who said,
"I will never leave you."

Our hearts are shattered in
A thousand pieces,
Each piece tightly gripped by
Immeasurable grief.

We feel lost, but not forgotten,
For we are buoyed up by Him who said,
"But even the very hairs on your head are
all numbered."

Though your smile we will no longer see,
And the laughter we no longer will hear,
We will hold the precious memories of
your kindness to
Others and your thoughtfulness in our
hearts.

We will hold on to the promise of Him who
said,
"I am the resurrection and the life.. "In the
world you will

Have trials, but be of good cheer..."
Sleep on, until we see you again
In the morning dear!

Note of Thanks

With deep appreciation and gratitude, we wish to express our sincere thanks to the many family and friends for expressions of kindness shown during the loss of our loved one. May God bless each and every one of you. We shall always remember you.
