

G - This is not a **Goodbye**, from me; it's a see you later.

A - I will see you **Again**; my departure means God has something greater.

R - Don't hold any **Regrets** for what you could have said or done.

R - **Remember** who I am, my time in your lives was fun.

A - It was **Amazing** that I was able to spend my time with all of you, God gave me that luck.

E - You might feel **Empty**, let the memory of my kids fill you up.

T - **Time** is not definite; you have to know each day is a maybe.

H - I went **Home** to take my final rest; until we meet again "one more time for the road, "aye lil baby baby."

GOODBYES are see you **AGAIN**, hold no **REGRETS**, and **REMEMBER** who I was, don't feel **EMPTY**, I had an **AMAZING** ride, it was just my **TIME** to go **HOME**. – Snug
