

TRIBUTE TO ANDRE`

From Mom

12/03/64 – 12/15/22

Your Journey in the “dash –”

I remember the day, early one Thursday morning, December 3, 1964, that you were put in my arms. A tiny baby to a scared 18-year-old mom. As the years past, I say you become true to your name “That whatever you set out to accomplish, you did your very best to complete it”.

This caused us to bump heads in your teen years. I remember the day you left home. I knew it was the beginning of a mother weaning herself from her child. I told you “the lights will always be on”. You not only left home, but you also left your God.

Through your journey to pursue happiness, you did find your way back home about 2 years ago. You found the “lights still on” and most of all you found your God, who had never left you! You started running after Him with all your heart. It was as if you were making up for lost time.

I found this on your Facebook page:

**Being humble means recognizing that we are
Not on earth to see how important we can become,
But to see how much difference
We can make in the lives of others.**

I praise God that you made a difference in so many lives and I was able to spend your last days while serving God with you and to hold you for the last time on, Thursday, December 15, 2022.

My First Born - You're Forever in My Heart!
