## “He only takes the Best”

God saw she was getting tired And a cure was not to be  
So he put his arms around her And whispers, "Come with me"  
With tear-filled eyes we watch her suffer and fade away  
Although we loved her dearly We could not make her stay  
A golden heart Stopped beating, hard working hands put to rest  
God broke our hearts to prove to us He only takes the best.
