

If we could bring you back again For one more hour or day ..
We'd express all our unspoken love. We'd have countless things to say.

If we could bring you back again We'd say we treasured you ..
And that your presence in our lives Meant more than we ever knew.

If we could bring you back again To tell you what we should ..
You'd know how much we miss you now And if we could, we would.

In tears we saw you sinking... And watched you fade away

Our hearts were almost broken We wanted you to stay
But when we saw you sleeping So peaceful, free from pain
How could we wish you back with us To suffer that again?

It broke our heart to lose you But you did not go alone
For part of us went with you...The day God took you home

Note of Thanks

In times of stress, we realize the value of friends. Your kind expressions of sympathy, cards, visits, calls, special prayers, and other expressions extended to us lighten our hearts. May God forever bless and keep each one of you in his tender loving care.

Special thanks to the staff of Levine and Dixon Hospice in Huntersville, NC.
