## When Tomorrow Starts Without Me

*When tomorrow starts without me  
and I'm not here to see. If the sun  
should rise and find your eyes all filled  
with tears for me, I wish so much you  
wouldn't cry the way you did today,  
While thinking of the many things we  
didn't get to say. I know how much you  
loved me, as much as I loved you  
And each time that you think of me,  
I know you'll miss me too.*

*But when tomorrow starts without me,  
please try to understand that an angel  
came, called my name, and took me by  
the hand and said my place was ready  
in heaven far above and that I'd have to leave behind all those I  
dearly love. But as I turned to walk away, a tear fell from my eyes.  
I had so much yet to do, it seemed almost impossible that I was  
leaving you. I thought of all the yesterdays, the good ones and the  
bad. I thought of all the love we shared and all the fun we had.  
If I could relive yesterday, I thought for just a while, I'd would say  
goodbye and kiss you, and maybe see you smile. But when I fully  
realized that this could never be, for emptiness and memories would  
take the place for me.*

*So when tomorrow starts without me, don't think we're far apart,  
For every time you think of me, I'm right here in you heart.*
