A TRUCKER'S PRAYER

Oh Lord be with me today as I head out onto the open road
For I know not the dangers that this day may hold
Oh Lord let it be You that is my daily guide
And as I head out to where the yellow line never end
It sure is good to know
That You will be riding with me once again
There will be one final trip with you and I alone
On a road that is paved with gold
There I will rest for there will be no more trips to take
Once I have entered Heaven's Gates
