What a mighty God we serve. To God be the glory. There is such a comfort in knowing that we are not alone. God is with us, and the assurance of His blessings are manifested in the warm and sincere expression of sympathy shown to us by family and friends. To everyone, your personal visits, telephone calls, cards, floral and food offerings, and other special gestures during this time have truly touched our hearts. We are especially appreciative for your prayers on our behalf. Special thanks to Dr. Amin and the staff at Piedmont Cancer Institute and Piedmont Hospitals.
