

A Very Special Tribute to a Very Special Mom

If there is happiness in my heart
It's because you helped put it here
If there is gentleness in my beliefs
It's because you showed me how to care
If there is understanding in my thinking
It's because you shared your wisdom
If there is a rainbow over my shoulder
It's because of your outlook and your vision
If there is a knowledge that I can reach out
And I really can make some dream come true
It's because I learned from the best teacher of all
I learned from you
A mother's heart is a special place
Where children always have a home

Your Loving Son

Grandmother's Touch

There's magic in a Grandmother's touch
And sunshine in her smile
There's love in everything you did
To make our lives worthwhile
We can find both hope and courage
Just by looking in your eyes
Your laughter was a source of joy
Your words were warm and wise
There was always kindness and compassion
To be found in your embrace
And we saw the light of heaven
Shining from a Grandmother's face
