I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work or play.
Tasks left undone must stay that way
I found that place at the close of day.
If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your heart and share with me
God wanted me now; He set me free.*
