

## FAR AWAY

Sending you a wish on your special day  
doesn't seem real without seeing your face.

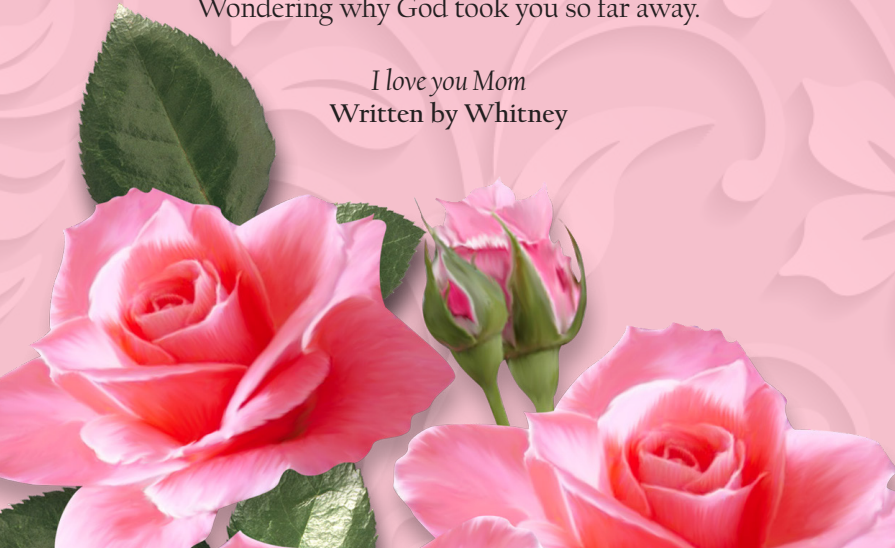

My heart can't take the pain I feel.  
Wishing more and more that it isn't real.

I need your voice to speak within me  
As if you were laying right next to me.

Missing you more and more  
each and every day.

Wondering why God took you so far away.

*I love you Mom*
