

Footprints

One night, I had a dream—
I dreamed I was walking
along the beach with the Lord,
And across the sky
flashed scenes from my life.
For each scene, I noticed
two sets of footprints;
One belonged to me
and the other, to the Lord.
When the last scene of my life
flashed before me,
I looked back at the
footprints in the sand.
I noticed that many times
along the path of my life,
There was only one set of footprints.
I also noticed that it happened
at the very lowest
And saddest times in my life.
This really bothered me,
and I questioned the Lord about it.
“Lord, you said that once
I decided to follow you,
You would walk with me all the way,
But I have noticed that during
the most troublesome times in my life,
There is only one set of footprints.
I don’t understand why,
in times when I needed you most,
You should leave me.”
The Lord replied,
“My precious, precious child,
I love you, and I would never,
ever leave you
During your times
of trial and suffering.
When you saw only
one set of footprints,
It was then that I carried you.”
