### AFTERGLOW

*I'd like the memory of me to be a happy one.*

*I'd like to leave an afterglow of smiles when life is done.*

*I'd like to leave an echo whispering softly down the ways,  
Of happy times and laughing times and bright and sunny days.*

*I'd like the tears of those who grieve, to dry before the sun;*

*Of happy memories that I leave when life is done.*
