

Together Again !

To My Children, Siblings and Friends

If You Could See Me Now

My prayers has been answered, I finally arrived

The healing that had delayed, Is now realized

No one's in a hurry, There is no schedule to keep
We're all enjoying Jesus, Just sitting at his Feet.

If you could see me now, I am walking street of
gold

If you could see me now, I'm walking tall and
whole

If you could see me now, You'd know I've seen
His face

If you see me know, You'd know the pain's erased

You wouldn't want me to ever leave this place

If only you could see me now

Live Life to Fullest

Live is a like an old house, it gets used
Worn out and old
Then it time to move to another one
Life is like a place where your soul lives
while it on earth
When your soul gets tired of living on
earth then its finds a new home
As time go by so does your life
So live life to the fullest and
let a day go by without cherishing it.
