### To My Family and Friends

#### Weep not for me

Weep not for me though I have gone  
Into that gentle night  
Grieve if you will, but not for long  
Upon my soul's sweet flight  
I am at peace, my soul's at rest  
There is no need for tears  
For with your love I was so blessed  
For all those many years  
There is no pain, I suffer not  
The fear is now all gone  
Put now these things out of your thoughts  
In your memory, I live on

Remember not my fight for breath  
Remember not the strife  
Please do not dwell upon my death  
But celebrate my life

Love,  
Charlie Lee
