Prayer lead me here.....

If tomorrow on earth don't include me in heaven is where I will be.  
Don't fill your good days with sorrow and grief  
but rejoice with the memories of good times  
you shared with me a soul that is bound could never be free.  
Death only have distance love keeps you all connected to me.  
When the wind blows I will send you a breeze  
when the raindrop I will send you peace  
when the stars come out at night  
I will shine as bright as I can be.  
But when Jesus call your name  
I will wait at the gate for you to join me rejoice  
my sweet mother dear your prayers is what kept and lead me here
