To My Family and Friends
If you could only see **Me** now.

My prayers have been answered

I finally arrived
The healing that had been delayed
Is now realized
No one's in a hurry
There's no schedule to keep
We're all enjoying Jesus
Just sitting at His feet

If you could see me now
I'm walking streets of gold
If you could see me now
I'm walking tall and whole
If you could see me now
You'd know I've seen His face
If you could see me now
You'd know the pain's erased
You wouldn't want me
to ever leave this place
If only you could see me now
Love James Earl
