I Did My Best

In this life there are many things that I may not have done the way you wanted them done or said the way you wanted them said, but I want you to know, I did my best. Many times I didn't have words to say or actions to show, but I want you to know, I did my best. Although I maybe gone from earth but never from your heart. I want you all to know, I DID MY BEST... **-Jabbar**
