# IF ROSES GROW IN HEAVEN

If roses grow in heaven Lord, then pick a bunch for me. Place them in my mother's arms and tell her they're from me. Tell her that I love and miss her, and as she turns to smile; place a kiss upon her cheek, and hold her for a while. Remembering her is very easy because I do it every day, but there's a pain within my heart which will never go away.

### I'M FREE

Don't grieve for me now I'm free. I'm following the path God has chosen for me. I took his hand when I heard him call; I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way, I've now found peace at the end of day. If my parting has left a void, then fill it with remembered joys. A friendship shared, a laugh, a kiss...oh yes, these things I too will miss. Be not burdened with times of sorrow. Look for the sunshine of tomorrow.

My life's been full, I savored much: good friends, good times, a loved ones touch. Perhaps my time seems all too brief; don't lengthen your pain with undue grief. Lift up your heart and peace to thee; God wanted me now. He set me free.

REFLECTIONS

## In Loving Memory Of A *Special* GRANDMA

Grandma, I'm leaving this little card and these heartfelt words to show how much I love and miss you more than you could ever know. Although it's sometimes painful, I know you're in a special place. My heart is full of memories of your lovely smiling face. You were so warm and caring and you brightened up each day, with your generous nature in your kind and thoughtful way. Life today is not the same now that we're apart; but I always feel so close to you through the love that's in my heart.
